

Weddings Around the World One: Sikh Weddings

As the new generations of Sikhs are born and raised outside India, the significance and meanings behind the historically rich Punjabi wedding customs and the Sikh wedding ceremonies are being lost because they are not being passed down. *Weddings Around the World: Sikh Weddings* is the first book to record the rich tapestry of the Sikh wedding and Punjabi ceremonies, explaining the rituals performed and their associated meanings. This book offers instruction on what is needed to carry out the pre- and post-Punjabi wedding ceremonies, as well as the knowledge on performing Sikh wedding rituals. In order to further emphasize the grandeur and colourful beauty of these weddings, a photographic illustration will also be included of the different ceremonies and fashions of the exotic Punjabi Sikhs.
