

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Career of the Marquis de Mores in the Badlands of North Dakota, The land and people of Japan;: Illustrated from photos, History of Mercer County, Illinois, 1882-1976: Gathered from the newspapers of the county, papers of the Mercer County Historical Society, papers, ... by organizations and residents of the county, Evolution and mans place in nature, Samurai Widow, Bulletin of the New York Public Library, Volume 14, Chinese for Children, American Ethnicity - The Dynamics and Consequences of Discrimination By Aguirre & Turner (6th, Sixth Edition), My Life and Dreams:: Book 1 to 32,
