

American Borders: A solo-circumnavigation of the United States on a Russian sidecar motorcycle

An exploration of the borders between the United States, Canada, and Mexico becomes a comedy of breakdowns in small towns all around America in this four-month, ten-thousand mile adventure. Experience moments of blissful backroads freedom, cultural connection, and roadside romance--interrupted by cracked welds, electrical gremlins, evil tow truck drivers, tornadoes, and hurricanes. From B.C. to the Blue Ridge, Boquillas to Beverly Hills, American Borders is a unique and intimate exploration of the United States and its neighbors.
