

A Challenge in Camelot (Dollar currency version) (Extraordinarily Arithmetic Adventure Series Book 1)

This is a version which has been revised for children who are learning with Dollar and cents, rather than Pound and pence. A collection of unique, short and fun stories, where English literacy meets numeracy. They are written to encourage mental arithmetic through a fictional story of adventures with characters from Arthurian Legend. For children who think Maths is boring or hard, each book tries to show that Maths could be fun through the journey of arithmetic challenges within the story. Suitable for children aged 5-8 (UK Key Stage 1 and 2) A Challenge in Camelot Joshua has been invited to meet the future King of Camelot, Prince Arthur. However, on his way he faces a challenge of an unusual kind. Will he complete the challenge? Will he still be able to keep his appointment at the Castle?
