

Through the Magic Door: Ursula Moray Williams, Gobbolino and the Little Wooden Horse

The remarkable memoir of the childrens book writer Ursula Moray Williams, whose classic titles Gobbolino and The Little Wooden Horse enthralled millions of readers, this book has been published to coincide with the centenary of Williams birth. Drawing upon unpublished diaries and letters, this biography recounts the British authors own heartwarming story for the very first time from the crumbling, fairy-tale mansion of her youth, through love, faith, crises, and sacrifices and reveals the inspirations behind Williams creativity. Detailing Williams extraordinary life from childhood through her 90s, this book rivals the adventures of her brave, fictional heroes.
