

The Actors Art: Conversations with Contemporary American Stage Performers

Biographies are so much more than lists of teachers, roles, and awards. The Actors Art conveys stories about numerous productions, insight about becoming and being an actor, and opinions about issues such as color-blind casting and the future of theatre. Together, these conversations form lively, thought-provoking sketches of such stars as Hume Cronyn and Jessica Tandy, Ruby Dee, Julie Harris, Cherry Jones, James Earl Jones, Stacy Keach, Nathan Lane, and Jason Robards. The Actors Art demonstrates the value of listening, and the pleasures of reading.
