

Heritage Keepers Student Manual IV: Character and Life Skills Education (Heritage Keepers Life Skills Education Student Manual) (Volume 4)

Heritage Keepers Life Skills Education Series The Heritage Keepers Life Skills Education Series is intended to be a maintenance program for the Heritage Keepers Abstinence Education 450 minute curricula developed to equip and empower adolescents to abstain from sexual activity outside of marriage. It can be used as a stand alone program but it is suggested to at least purchase Sex, Lies and Hook-Ups: A Parents Guide For Fighting Back (can be purchased on Amazon) or the Heritage Keepers Abstinence Education program (can be purchased through Heritage Community Services) for full understanding of the program. There are five Heritage Keepers Life Skills curricula with each containing twelve lessons related to character development and avoiding all risky behaviors. The Life Skills curricula were written around recognized public health standards for adolescents. The Life Skills curricula have all been reviewed and approved by the US Department of Health and Human Services, Office of Population Affairs, for medical accuracy and sound referencing from widely accepted social science research. Life Skills IV covers the following: Developing Strong Character, Dealing with Hormones, Your Boundaries: What will you let in your heart and mind, Your Boundaries, Compassion, Communications Review, The History of the Dating Process, Dating Today, Are You Ready to Date, While Dating, Saying No to Sex Outside of Marriage, Understanding and Protecting Your Body Teacher Manuals are available on Amazon! Contact Heritage Community Services with questions including pricing for ordering student manuals in bulk! (heritage@heritageservices.org) or 843-654-7740
