

# Teaching Reading to English Language Learners, Grades 6-12: A Framework for Improving Achievement in the Content Areas

A powerful array of field-tested literacy tools for closing the achievement gap! This book provides a comprehensive and systematic framework for developing literacy skills and improving reading in all content areas. With funding from the Carnegie Corporation and the U.S. Department of Education, author Margarita Calderon has developed a research-based approach to expediting reading comprehension that results in higher test scores not just for ELLs, but for all students. Educators can easily complement their instruction with ready-to-use tools, including: Lesson templates Rubrics Sample lesson plans Strategies for teaching reading and vocabulary in content areas Descriptions of successful programs Professional development designs
