

From Shame to Glory

When it comes to musical achievements, few share the distinction of not only being a significant factor in blazing a trail for an entire genre, but also rising to the absolute top of their craft on stage and off. But after a mere millisecond of speaking with Jason Alvarez in tandem with his highly anticipated new release *Time For Miracles*, its apparent the singer/songwriter/multi-instrumentalist and now simultaneous pastor/speaker is a complete anomaly whose stable of accolades and downright dreamlike experiences are at least a mile long, though hes quick to deflect all glory to God in whats among one of the most compelling, enthralling and uplifting stories of redemption in music industry history.
