

## The green cathedral: History of Mill Creek Park, Youngstown, Ohio

Mill Creek Park, dubbed the largest and most beautiful park in the United States and perhaps the world, by the author stands in Youngstown and the Mahoning Valley of Ohio. Dr. Melnick introduces the reader to a brief history of the Western Reserve Indians of the Mahoning Valley, followed by the parks history presented in a geographical fashion beginning at the outlet of the Mill Creek in Columbiana County. In addition, a number of stories, traditions, and legends are included.
