

Grade 4 • Give students the learning power to move to the head of the class! This book features ten packets of reproducible activities that support state and NCTM standards which cover the six essential strands of mathematics. Simply complete each packet’s customizable cover sheet, reproduce the activity pages, and send them home with your students. The packets focus on number concepts, addition and subtraction, multiplication and division, measurement, algebra, geometry, data analysis and probability, and problem solving. Includes a math vocabulary list, scoring rubric, calendar template, and tools to help build the home-school connection. Answer key provided.
