

My First Fruits and Vegetables (Classic Picture Books Book 11)

Researchers claim that children develop photographic memory quite early than data memory skills. Hence, teaching with appropriate visuals makes learning interesting and easy for the children. Dr. Hooelz has developed this CLASSIC PICTURE BOOKS Series, keeping in mind the above idea. This collection is a set of 12 books, all of them are aimed at developing the early learning skills in children. Gift one for your kid, now!
