

The Arts in the Primary School

Firmly based on the authors personal experience, this book tackles a wide range of issues relating to the teaching of the arts in the primary school. The authors illustrate how primary children of all ages can be educated to both know about and to practice all the major art forms, and how a school staff can effectively accommodate and practice them all, even within the constraints of the National Curriculum. This book is unique in primary school education terms, as its primary focus is specific and it embraces every major art form dance, drama, literature, music, visual arts and film.
