

## Eggs-ten-shone: Adventures of JD Wombat

JD Wombat lives in a Gum tree in the Blue Grey Valleys Eucalyptus wood. His adopted family includes Mr. and Mrs. Possum and his two possum sisters, Bindi and little Pooky Choo. JD loves his family, but the room he shares with Bindi and Pooky Choo is getting crowded. Moving him into his own bedroom will give everyone more space and cut down on sibling teasing and fights. So the Possum family decides to add an extension to the little home much to Pooky Choo's confusion. Pooky Choo isn't sure what an eggs-ten-shone is, or why eggs will help her brother get a new room, but if that's what the family needs, she's ready to help. While the other family members are busy digging, Pooky's in the kitchen, cooking up fun and a great big mess! Written in catchy, rhyming prose, with lovely watercolor illustrations, Eggs-ten-shone introduces infants and children to the wonderful animals who call Australia home. Come visit the Blue Grey Valley, and meet JD and the Possum family. If you're friendly, Pooky Choo might just offer to share some eggs!
