

This volume introduces the study of language attrition--the forgetting of language. In this first collection devoted to second language attrition, the contributors focus on contexts of loss where Japanese is either the attriting language, or the replacing language. Bringing together research to substantiate previous hypotheses in the field, this book offers new theoretical and practical insights for those interested in language change.

General Index to the American Statesmen Series: With a Selected Bibliography, Landmarks of Toronto; a collection of historical sketches of the old town of York from 1792 until 1833, and of Toronto from 1834 to 1893 Vol 4, Jahrbuch fur Padagogik 2015 (German Edition), Archaeologia or Miscellaneous Tracts Relating to Antiquity: Volume CII (Second Series, Volume LII), The Invisible Wall of China, Ыїїáíũâ âĩĩđĩũ ôëëĩĩô³è èñđĩđ³è ...
