

Former middle-school teacher and teachers advocate Taylor Mali struck a chord with his passionate response to a man at a dinner party who asked him what kind of salary teachers make—a poetic rant that has been seen and forwarded millions of times on Facebook, YouTube, and Twitter. Based on the poem that inspired a movement, *What Teachers Make* is Malis sharp, funny, reflective, critical call to arms about the joys of teaching and why teachers are so vital to America today. It's a book that will be treasured and shared by every teacher in America—and everyone who's ever loved or learned from one.
