

Essential Library of Congress Subject Headings

Here's a crucial resource for anyone unfamiliar with Library of Congress Subject Headings. This book provides not only their background and history but also their advantages and their limitations. You'll learn the forms of entry, subject heading lists, main headings, compound headings, name headings, headings for literature, art, music, history and law, and subject headings in the online environment. No prior knowledge or experience of subject cataloguing is assumed. This is an indispensable guide to LCSH for practitioners and students alike.
