

Audrey Hepburn, Elegant Spirit

A tribute to Audrey Hepburn on the 10 year anniversary of her death, written by her son, Sean Hepburn Ferrer. Audrey Hepburn was more than a movie star, more than a style icon. She considered her most important role to be wife and mother. In this memoir Sean Ferrer remembers their life together. This is the story of her life from her childhood during World War II, to Hollywood, to her work for the United Nations. Intimate and inspiring, this is an illustrated memoir of the woman the world adored, by the son who adored her and was adored by her.
