

Dont make the mistake of hiring the wrong person to be involved with your childrens daily schedule! This audiobook was created for parents of all ages and situations. If youre reading this, I assume you must be in search of a nanny right now, or you are preparing for the time you might need to hire one for your kids. In The Perfect Nanny, youll learn what traits to look for in nanny candidates, the warning signals you should look out for, and tasks your nanny can be expected to do at home. If youre a working mom who just gave birth and are in need of someone trustworthy and careful with newborns, then youll learn a lot from the chapter dedicated to nannies and infants. On the other hand, if youre looking for a nanny who can handle toddlers and older children, youll be glad to hear the tips and techniques for choosing the best nanny in the latter chapters. Youll also learn what tasks to instruct your nanny in and how best to help your children adjust to having a nanny. Are you are ready to learn more about finding, screening, interviewing, and hiring the perfect nanny? Heres a peek at what well cover: The Traits of a Perfect Nanny Screening the Nanny Candidates The In-Depth Interview Process Interacting with the Children And theres much more!
