

## Cilla: Queen of the Swinging Sixties

Cilla Black is one of Britain's best-loved entertainers, and an icon of the sixties. Known to one generation for a string of number-one hits like *Anyone Who Had a Heart* and *You're My World*, and loved by another for hosting the classic ITV show *Blind Date*, Cilla has come a long way from hanging coats in Liverpool's Cavern Club for five bob an hour. In *Cilla: Queen of the Swinging Sixties*, Douglas Thompson traces her rise to the top, her heart-warming marriage to Bobby Willis, and the profound effect his death had on her. This affectionate biography is a fitting tribute to 50 years in show business for our Cilla.
