Studies indicate that it is we learn faster when we employ more senses. Ms. Bunnys Tea Party uses a simple story to introduce the letters of the alphabet as animal sounds. **READING SUGGESTIONS**

- 1. A WORD STARTS WITH A LETTER** As you read, point out the letter on the page, then ask your child to find the letter on the page for you after you have read the line in the story.
- 2. SOUND-IT-OUT** Sound out the noise the animal makes or the circled word on each page as you read the story. Let the child compete with you to get a louder or better animal noise.
- 3. DIGITAL DEXTERITY** Let the child trace the letter of the alphabet on each page with his or her finger as you read the story or sound the letter.
- 4. IDENTICAL IDENTITY** Ask the child to find the same letter in the text of the story on that page. The word is in caps and circled to make it easy to find.
- 5. LETTER SHAPES** Have your child color in the letter outlines as you sound out the letter and the sound together.
- 6. MAKE A NOISE** Ask the child to make a new animal sound that starts with the same letter or sound.
- 7. VISUAL LITERACY** Some of these pictures contain hearts embedded in the image. Have a contest to see who can find the heart shapes hidden in the pictures first.
