

Traits Alive! is a non-fiction picture book of creature similes that have been around for ages. A brief description of the distinctive trait of each animal, bird, fish, or reptile featured, and/or relevant information about the simile, accompanies each beautiful illustration. An enjoyable book for parents to read to small children, or for kids ascending out of beginner level to read on their own. Teachers will find Traits Alive! is a handy tool in the language arts classroom whenever figures of speech are the topic of instruction.

Contemporary Editing, The Sierra Gateway Map Guide, Walt Disney Productions presents Aladdin and the sly magician (Disneys wonderful world of reading), The River of Golden Sand, the narrative of a journey through China and Eastern Tibet to Burmah. With illustrations and ... maps ... With an introductory essay by Col. H. Yule., Studyguide for Qualitative Methods in Social Work Research by Padgett, Deborah K.,
