

Visualizing and Verbalizing: Stories

Visualizing and Verbalizing Stories Book has original Kindergarten to 8th grade short paragraphs and stories to help students develop an imaged gestalt. Each story is high in imagery and is followed by imagery and Higher Order Thinking (HOT) questions to develop concept imagery. Concept imagery is crucial to critical thinking and reading comprehension, and the stimulation and practice of concept imagery improves comprehension on all levels. - High-imagery stories - HOT questions to develop critical thinking skills - Imagery questions to stimulate visualization - Stories for reading levels K through 8th grade
