

The Ewe-Speaking Peoples of the Slave Coast of West Africa: Their Religion, Manners, Customs, Laws, Languages, &C (Classic Reprint)

Excerpt from The Ewe-Speaking Peoples of the Slave Coast of West Africa: Their Religion, Manners, Customs, Laws, Languages, &C The people of these four groups have not progressed equally since their separation. Speaking generally, it may be said that, proceeding from west to east, we find a gradual advance in civilization; the Tshi-speaking peoples being the least, and the Yoruba - speaking peoples the most, advanced. How far this may be due to local conditions and surrounding, I do not pretend to say. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
